Accounts and Audit (Wales) Regulations 2014

Audit notice where Responsible Finance Officer unable to certify the accounts because the accounts are being prepared in accordance with revised deadlines issued by Welsh Government

Regulation 10(1) of the Accounts and Audit (Wales) Regulations 2014 (as amended) require that the Chief Financial Officers of both the Police and Crime Commissioner and the Chief Constable sign and date the final Statement of Accounts of their respective corporations and certify that they present a true and fair view of the financial position at the end of the year to which they relate, and of the income and expenditure for that year. The Regulations require that this be completed by 31 July 2026.

The Chief Financial Officers to the Police and Crime Commissioner and the Chief Constable have not signed and certified their respective final accounts for the year ended 31 March 2026. The Police and Crime Commissioner for South Wales and the Chief Constable will prepare draft Statements of Accounts on or before 30 September 2026, in keeping with guidance from Welsh Government, following notification from Audit Wales of its revised audit timings for the public sector in Wales.
